Introduction

WHO WE ARE

- △ **Cigna** is a global health service company. We're here to help you and your family live healthier, more financially secure lives. We're excited to be a part of your health and wellness journey.
- △ **We are where you are.** Cigna has a national presence, but we also have a local focus in most areas. This means local medical directors and health services representatives work to provide you with access to quality care where you live and work.

WHAT YOU CAN EXPECT

- △ **Access to quality health care.** Before joining the Cigna network, health care providers must meet Cigna standards through a process we call credentialing. We regularly review credentials to make sure the providers continue to meet these standards.
- △ **Comprehensive health care coverage.** Your plan includes coverage for diagnosis and treatment of illness and injury. It also gives you coverage for wellness and preventive care services. Our goal is to help keep you and your family well.
- △ **Outstanding customer service.** We're here 24/7/365. Contact us online at www.cigna.com, by phone or by app. However it's convenient for you.

ABOUT THIS DIRECTORY

This directory includes a list of health care providers in your local area who are in the Cigna SureFit network. **To get the most out of your Cigna plan, you should use providers in the SureFit network.** This directory also tells you what you need to know about using your new plan. You may not need all this information now. But make sure you keep this directory in a safe place. You may want to look at it again later.

The information in this directory is accurate to the best of the company's knowledge as of the time of the last update. The directory is updated at least once each quarter, or more frequently as required by state regulations. We do not guarantee that each provider is still accepting new patients. Inclusion of a provider in this directory does not mean that your plan covers all the services that this provider offers. Always look at your plan materials (such as your Summary of Benefits) to see what your plan covers. To get the most updated information about the network providers in your area, use our online directory (www.cigna.com or www.mycigna.com) or call Cigna Customer Service at the toll-free number on the back of your Cigna ID card. You can also request a paper copy of this directory. In addition, please check with the health care provider before scheduling your appointment or receiving services to confirm the provider is participating in your plan's Cigna network.

Use this directory to

- △ search for in-network providers, hospitals and other health care professionals and facilities.
- △ look to see what providers are accepting new patients.
- △ download your own personalized directory to have on hand when you need it.
- △ find hospital scores for specific conditions/procedures through Cigna "Centers of Excellence" (for current customers only at www.mycigna.com).

Because this provider directory has been printed and mailed, it may include providers who are no longer in-network. To see the latest, most up-to-date, list you can look online. We update our online lists often, and you may find more providers than the ones listed here. You can also call us.

- △ Go online to www.cigna.com and click Find a Doctor and from this link you can print a personalized directory
- △ Use the myCigna® website or app (current customers)
- △ Call us. Our Customer Service Advocates are available 24/7/365, and are happy to help you find an in-network provider in your area. You can call us toll-free at 1.800.Cigna24 (1.800.244.6224).

The pages that follow contain:

- △ Information about your ID card
- △ How to choose and work with your provider
- △ Who to call if you need help or language assistance
- △ Information about the Cigna LifeSOURCE Transplant Network®
- △ Information about how we pay our providers

YOUR CIGNA ID CARD

You get your Cigna ID card after you enroll. Keep your ID card with you at all times. Show it whenever you visit a health care provider or facility. Always check your ID card if you need help finding the name of your Cigna network and benefit plan. This will help you identify the health care providers that are in-network for your plan.

YOUR SUMMARY OF BENEFITS

Your Summary of Benefits explains what your plan covers. It includes information about what medical benefits you have. It also shows you what services your plan covers. Read this information so you know whether you have prescription drug coverage, coverage for mental health and substance use, and/or vision care coverage as a part of your Cigna plan.

PROVIDER NETWORK SELECTION CRITERIA

For more than 125 years, Cigna has been committed to building a trusted network of health care providers. The providers, hospitals, facilities and other health care professionals we contract with must meet certain credentialing requirements and agree to our billing rates. This helps make sure you have access to quality, cost-effective care. To build our network, we look at how many primary care and

specialty providers are in a specific area. We also look at what hospitals, labs, and other facilities are in that area. Our goal is to build a network that gives you choice and convenient access to treatment and services. Provider networks vary by state and plan and include providers, hospitals, and health care facilities in your local area. Initially, we don't use quality or cost measures or customer experience ratings to choose providers.

CHOOSING A PROVIDER TO BE YOUR PRIMARY CARE PROVIDER

Your plan may require you to choose a Primary Care Provider (PCP) to be your personal provider. Each covered member of your family can choose his or her own PCP. Even if your plan does not require you to choose a PCP, you can still choose one for yourself and your covered dependents to help coordinate your care. Your first stop for care should be your PCP or personal provider. He or she can help decide if you need specialty care or hospitalization. In the event of a true emergency, dial 911 or go to the nearest hospital.

- △ Your PCP serves as a "home base" for basic care – a source of advice and direction.
- △ Your PCP also coordinates your care - from preventive checkups and routine medical care to specialized care and hospitalizations. He/she also keeps your medical history.
- △ If your plan requires referrals, your PCP will also provide you with referrals to specialists when necessary. See your plan materials to learn whether your plan requires you to have a referral before seeing a specialist.
- △ If your PCP is part of a medical group, your plan may require you to see a specialist who practices in that same group. Check with your PCP or call Cigna Customer Service to learn whether this requirement applies to you.
- △ Your PCP doesn't have to refer you to an OB/GYN. As part of your plan, you can visit an innetwork OB/GYN at any time, without a referral, even if your plan requires referrals to other types of specialists. Please note: If your PCP is part of a medical group you may be required to see an OB/GYN who practices in that same group. Check with your PCP or call Cigna Customer Service to learn whether this requirement applies to you.
- △ You can change your PCP at any time, for any reason.

REPORT INACCURATE INFORMATION

If you see inaccurate information for a health care provider (HCP), please help us improve your experience by reporting it using one of the following options:

Report by phone: Call 800.244.6224

Report by e-mail: Send an e-mail to providerupdates@cigna.com and include the following: Name, address and specialty of the HCP as it's currently displayed (this allows us to identify the HCP you are referencing), and information you believe is inaccurate, such as name (spelling), address, phone number, whether they are accepting new patients, or their participation in a certain network or benefit plan. Cigna will verify the information you have sent and ensure it is corrected accordingly.

LANGUAGE ASSISTANCE

If you have trouble understanding English, we offer language assistance and interpretation services at no cost to you. For help, please call the Customer Service number on the back of your ID card. If you don't have (or can't find) your ID card, please call 1.800.244.6224. If you have hearing or speech loss and use Telecommunications Relay Services (TRS) or a Text Telephone (TTY), dial 711 to connect with a TRS operator.

Si le cuesta comunicarse en inglés, ofrecemos asistencia de idioma y servicios de interpretación sin costo alguno para usted. Para obtener ayuda, comuníquese con el número de Servicio al cliente que figura en la parte de atrás de su tarjeta de identificación. Si usted no tiene o no puede encontrar su tarjeta de identificación, llame al 1.800.244.6224. Si tiene algún impedimento auditivo o del habla y desea usar el servicio de retransmisión de telecomunicaciones (TRS, por sus siglas en inglés) o un teléfono de texto (TTY, por sus siglas en inglés), marque 711 para comunicarse con un operador del TRS.

Visit www.cigna.com or www.mycigna.com for current customers, to search for in-network providers. You can also find more information on health topics, preventive care and learn more about your plan's benefits and programs.

IN-NETWORK VS. OUT-OF-NETWORK HEALTH CARE PROVIDERS

In-Network Costs:

You may save money using in-network providers. In-network providers have a contract with Cigna. They agree to charge Cigna customers certain rates. These rates are usually less than what they charge non-customers. So you'll usually pay less out of pocket using in-network providers.

Your plan may require that you pay a copay, deductible or coinsurance. You're responsible for paying these amounts. In-network providers shouldn't bill you for anything else. For example, they shouldn't require you to pay any difference between their billed charges and the Cigna contract rate. If they do, we call this balance billing. In-network providers shouldn't balance bill.

Out-of-Network Costs:

Some plans include out-of-network benefits. This means you can use a provider outside of the Cigna network. Out-of-network providers don't have a contract with Cigna. This means they can charge whatever rates they want. If your plan includes out-of-network benefits, and you use an out-of-network provider, you'll probably pay more. You'll be responsible for paying the difference between what they charge and what an in-network provider charges. If your plan doesn't include out-of-network coverage, the provider may bill you directly for the full cost of services. You'll then be responsible for the full costs (except in the case of emergency services, air ambulance services, and certain services provided by out-of-network providers at an in-network hospital or ambulatory surgical center).

What happens if a provider changes their network status?

It's always a good idea to check with a provider (before scheduling your appointment or receiving services) to make sure he or she is in the Cigna network. If you see a provider that leaves the Cigna network, you may be subject to the same out-of-pocket, out-of-network costs described above. If you're currently seeing a provider for an ongoing condition or are pregnant, and your provider leaves the Cigna network, contact us. We may consider Continuity of Care Coverage for a defined period of time. You must apply for continuity of care using the Continuity of Care/Transition of Care Request Form. Please check your Summary of Benefits or call the Cigna Customer Service at the toll-free number on the back of your Cigna ID card.

Out-of-Network Reimbursement:

When we pay providers who are out-of-network, we look at several things.

- △ What the industry standard charge is for the specific treatment or service
- △ What the provider is charging
- △ A comparison of charges by other similar providers
- △ What we typically pay an in-network provider for the same type of covered service in the same geographic region
- △ Medicare reimbursement rates.

State Specific Surprise Billing/Balance Billing Consumer Protections:

If you have coverage under a Florida situated plan and you receive a bill for out-of-network services rendered during an

emergency or from an out-of-network provider at an in-network setting or from an out-of-network Air Ambulance provider, state consumer protections may apply. Please contact Cigna or <https://www.myfloridacfo.com/Division/Consumers/> for more information or if you believe you are being balanced billed.

FEDERAL NOTICES AND DISCLOSURES

Your Rights and Protections Against Surprise Medical Bills under the No Surprises Act

When you get emergency care or get treated by an out-of-network provider at an in-network hospital or ambulatory surgical center in the United States, you are protected from surprise billing or balance billing. This protection will begin on or after 1/1/2022, depending on when your health plan coverage year begins.

What is "balance billing" (sometimes called "surprise billing")?

When you see a doctor or other health care provider in the United States, you may owe certain out-of-pocket costs, such as a copayment, coinsurance, and/or a deductible. You may have other costs or have to pay the entire bill if you see a provider or visit a health care facility that isn't in your health plan's network.

"Out-of-network" providers are doctors, facilities, and other health care providers that haven't signed a contract with your health plan. Out-of-network providers may be able to bill you for the difference between what your plan agreed to pay for a service and what they want to charge. This is called "**balance billing**." This bill may be more expensive than an in-network provider and might not count toward your annual out-of-pocket limit.

"Surprise billing" is an unexpected balance bill. This can happen when you can't control who is involved in your care—like when you have an emergency. This can also happen when you schedule a visit at an in-network facility but are unexpectedly treated by an out-of-network provider. For example, you may go to an in-network hospital but then an out-of-network provider treats you. This could happen when you need anesthesia during a surgery. The surgeon may be in-network, but the anesthesiologist may be out-of-network. Both providers can bill you for the care they give.

You are protected from balance billing for:

Emergency services

If you have an emergency and you get care from an out-of-network provider or facility in the United States, the most they can bill you is your plan's in-network cost-sharing amount (such as a copay and coinsurance). This means you'll pay what you would have if you got care from an in-network provider. You **can't** be balance billed for these emergency services. This includes services you may get after you're in stable condition, unless you give written consent and give up your protections not to be balance billed for these post-stabilization services.

Certain non-emergency services at an in-network hospital or ambulatory surgical center

You're also protected when you get services from an in-network hospital or ambulatory surgical center in the United States. Certain providers there may be out-of-network. You may not know which providers are in- or out-of-network. It's always good to ask whether a provider participates in your health plan's network if you can. If the provider is out-of-network, the most they may bill you is your plan's in-network cost-sharing amount (such as a copay or coinsurance). This applies to emergency medicine, anesthesia, pathology, radiology, laboratory, neonatology, assistant surgeon, hospitalist, or intensivist services. These providers **can't** balance bill you and may **not** ask you to give up your protections against being balance billed.

If you get other services at these in-network facilities, out-of-network providers **can't** balance bill you, unless you give written consent and give up your protections.

You're never required to give up your protections from balance billing. You also aren't required to get care out-of-network. You have the right to choose a provider or facility in your plan's network.

A state balance billing law may also apply to your health plan. For more information about these protections, please visit the FEDERAL and STATE-SPECIFIC NOTICES AND DISCLOSURES section on <https://www.cigna.com/product-disclosures/>.

When balance billing isn't allowed, you also have the following protections in the United States:

- You are only responsible for paying your share of the cost (like the copayments, coinsurance, and deductibles that you would pay if the provider or facility was in-network). Your health plan will pay out-of-network providers and facilities directly.
- Your health plan generally must:
 - Cover emergency services without requiring you to get approval for services in advance (prior authorization).
 - Cover emergency services by out-of-network providers.
 - Base what you owe the provider or facility (cost-sharing) on what it would pay an in-network provider or facility and show that amount in your explanation of benefits (EOB).
 - Count any amount you pay for emergency services or out-of-network services toward your deductible and out-of-pocket limit.

If you believe you've been wrongly billed

Please call Cigna if you get a balance bill. Use the phone number on your ID card. You can also look at your Summary of Benefits and Coverage (SBC) on myCigna.com for information on how to contact a state or federal agency about your rights under federal and state law.

For Cigna Global Health Benefits® customers, the federal requirements only apply to plans underwritten by Cigna Health and Life Insurance Company. For all other plans underwritten outside the United States, the federal requirements stated here do not apply. If you are unsure if the federal requirements apply to your plan, please call Cigna. Use the phone number on your ID card.

The listing of a provider in this directory does not guarantee that the services provided by that provider are covered under your specific medical plan. Check the materials which describe your particular plan benefits, or call Cigna Customer Service for information about the services covered under your plan benefits. If you have questions or need assistance, please contact Customer Service at the toll-free telephone number listed in your enrollment materials or on your Cigna ID card.

Cigna LifeSOURCE Transplant Network®

As a Cigna customer, you have access to the Cigna LifeSOURCE Transplant Network®. It's a network of organ and tissue transplant centers. Developed by a team of Cigna clinical professionals, the transplant network includes respected hospitals and medical centers throughout the country.

Cigna LifeSOURCE contracts with select independent transplant facilities that are nationally recognized for their quality care. We have more than 165 facilities in our network that provide access to transplant programs coast to coast. Each Cigna LifeSOURCE program is carefully chosen to participate in the Cigna LifeSOURCE Transplant Network and must continue to meet our established quality standards. All programs must maintain minimum volumes, designated patient and graft survival outcomes, appropriate designations, and show expertise in managing individuals on the waiting lists.

Customers needing a transplant are assigned to one of our nurse case managers in our transplant case management unit. These managers have clinical experience in transplant, hematology/oncology, home health care, dialysis, critical care and community care. They have special training to manage complex transplant cases.

Services the Transplant Case Management Unit offers:

- △ Help finding a health care provider
- △ Help managing your coverage for consistency in service and benefit administration
- △ Access to dedicated resources for complex areas of medicine
- △ Information to help you understand your treatment choices
- △ Help with paperwork and other administrative tasks

In some instances a travel benefit is offered as a feature of the program. Your case manager can tell you if you are eligible for this benefit. As a Cigna customer, you can have access to these services when they are handled through your provider and your transplant case manager.

In-network benefits

You may not receive the in-network level of coverage for all types of transplants at all hospitals. In addition, our network of locations changes frequently. For the most current listings with the programs covered at the in-network coverage level, please visit www.cignalifesource.com or call Cigna LifeSOURCE Customer Service at 1.800.668.9682. Also, not all programs at a Cigna LifeSOURCE Transplant Network medical center are available to all customers. Please call Customer Service at 800.668.9682 for more information and to check on what your plan covers. If you're already in transplant case management, please call your case manager directly.

Preauthorization

What is preauthorization?

Preauthorization (or precertification) is a review process. It's where health care providers, including nurses, providers and/or pharmacists, work with your provider to decide if the treatment you need is medically necessary. This process helps decide if your plan covers the service.

How the process works

Your plan may require preauthorization for hospital admissions and some outpatient services. If your provider is in the Cigna network, then he or she is responsible for contacting Cigna to get preauthorization. If you use a provider who isn't in the Cigna network, then you may be responsible for contacting Cigna to request preauthorization. It's important for you to review your benefits to understand which services require preauthorization. Call us if you have questions.

When you need preauthorization, a clinical professional (most often a nurse) looks at the request using nationally recognized guidelines. These guidelines are consistent with sound clinical principles and processes. Practicing health care providers develop them. When guidelines don't exist, nurses use clinical resource tools based on clinical evidence. Anytime a nurse is unable to approve coverage for clinical reasons, he/she refers the case to a medical director. The medical director is a provider who considers each case on an individual basis. The medical director may talk with your provider to get more information about your case. If Cigna cannot approve the preauthorization request, we'll send you a letter.

When the process happens

Preauthorization happens at three different times (state-specific time frames may apply):

- △ Prospective review is when Cigna receives a request before you receive care. Determinations are made within 72 hours for urgent care and within 15 days for non-urgent care after receiving all necessary information. We'll notify you and your provider verbally or electronically and by mail.
- △ Concurrent review is when Cigna receives a request while you are receiving care. You may be in a hospital, skilled nursing facility or rehabilitation facility. Determinations are made within one business day (24 hours) of receiving all necessary information. We'll notify you and your provider verbally or electronically and by mail.
- △ Retrospective review is when Cigna receives a request after you have received care. Determinations related to these services are made within 30 days after receiving all necessary information. We'll notify you and your provider verbally or electronically and by mail.

If your situation requires that a determination be made right away, Cigna will perform an expedited review. This determination will be completed within 72 hours.

If we deny a request, we'll tell you why. Only providers make the decision to deny coverage. The letter we send you will explain the reason for the decision and details on how to submit additional information and/or proceed through the formal Appeals Process. You can file an appeal if you disagree with the coverage decision.

CASE MANAGEMENT

Case Management is when a Cigna Case Manager helps you with coordinating services between your

provider and different care settings. These settings can be a hospital, rehabilitation facility and even your home. The Case Manager helps by making sure you get the services you need. The Case Manager can also help by giving you information about resources available in your community for things your plan may not cover. If you think the services of a Cigna Case Manager might help you, call the number on your Cigna ID card.

Health Care Provider Compensation

HOW WE PAY YOUR HEALTH CARE PROVIDERS

Cigna wants to keep you informed about matters related to your health care plan. For that reason, we're sharing this information about how we compensate (pay) health care providers in our network. These providers include providers, hospitals, other health care practitioners, and facilities.

Cigna pays providers in ways that are intended to emphasize preventive care, promote quality care, and ensure the appropriate and cost-effective use of covered medical services and supplies. Cigna reinforces this philosophy through utilization management decisions made by its medical directors and medical management staff. Cigna employees are encouraged to promote appropriate utilization of covered health care services and to discourage underutilization.

The methods by which in-network providers agree to be compensated are described generally here. The amount and type of compensation a provider agrees to accept may vary depending upon the type of plan. For example, a hospital may agree to accept less for services provided to patients enrolled in an HMO plan than to patients enrolled in other types of plans. In addition, Cigna may attempt in various ways to promote the use of in-network providers based upon quality and cost-effectiveness measures while providing access to covered services and supplies.

DISCOUNTED FEE FOR SERVICE

Payment for services is based on an agreed-upon discounted amount from the provider's bill.

CAPITATION

Capitation is when providers get fixed, prearranged, regular payments for every patient in their practice. We pay them regularly even if patients don't receive care. Capitation offers health care providers a predictable income. It encourages them to keep their patients well through preventive care. Health care providers paid using capitation can participate in a risk-sharing arrangement with Cigna. This means they can agree to share the risk if medical costs are above or below what they plan for.

Cigna may also work with third party companies that pay health care providers. In these situations, Cigna pays a third party company a fixed amount of money. The third party company then pays the providers. The amount of money the providers get can vary depending on their contracts.

SALARY

We pay the health care providers, who work in a Cigna staff-model facility a salary. We review salary amounts each year and pay the salary no matter what services the provider actually delivers. Providers can get a performance bonus at the end of the year based on the quality of care they provide, what services they give, and whether they make cost-effective choices.

BONUSES AND INCENTIVES

Some providers may get additional payments based on their performance. We look at the quality of care they offer, what services they give, and whether they make cost-effective choices. Health care providers may also get incentives for using certain cost-effective hospitals, labs, specialists, medications, supplies, and vendors. The incentives may or may not be financial.

PER DIEM

A specific amount of money a hospital gets per day for all the services it provides. The payment may be different by type of service and length of stay.

CASE RATE

A specific amount of money paid for all the care received in a hospital for a particular stay. For example, a customer having a baby gets care during the delivery. We pay the hospital a specific amount for all the care the customer receives for that maternity stay. If you would like to know more about how your health care providers are paid, ask them.
